

Gold Series

Pneumatic Riveting Tools

- Patented Vacuum Mandrel Collection System
 - Holds rivet in place, regardless of tool position
 - Mandrels are sucked back into the tool collection cup for easy disposal
- Pressure Regulator for optimum efficiency in setting rivets of different sizes and materials
- Adjustable Stroke for maximum effectiveness in assembly
- Two Piece or Three Piece Jaw system made from high grade tool steel and heat treated for durability
- Forged and Heat Treated Aluminum Hydraulic Chamber for use under severe conditions
- Lightweight and with Shock Absorbtion Technology for reducing the occurance of repetitive disorders.
- Side Mounted Air Inlet Joint for best maneuverability of the tool.
- Rubber Boot w/ onboard nose piece storage, designed for protection of the tool and work surface.

1/8" Capacity

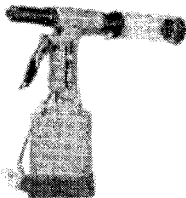

ZT-0318VS

ZT-0318VS	
Max. Setting Capacity (Head / Mandrel)	5 / 32" All Materials Aluminum / Steel
Traction Power @ 90 PSI	1,200 kgF
Stroke Length	10.16"
Weight	3.4 lbs
Accessories Equipped	3/32" 1/8" 5/32"

3/16" Capacity

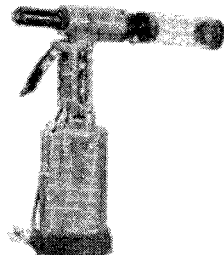

ZT-1618VS

ZT-1618VS	
Max. Setting Capacity (Head / Mandrel)	3 / 16" Steel / Steel
Traction Power @ 90 PSI	900 kgF
Stroke Length	11.16"
Weight	3.4 lbs
Accessories Equipped	3/32" 1/8" 5/32" 3/16"

1/4" Capacity

ZT-1214VS

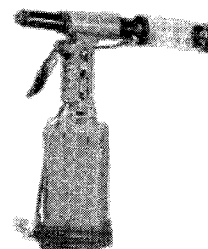

ZT-1214VS	
Max. Setting Capacity (Head / Mandrel)	3 / 16" All Materials 1/4" Steel / Steel
Traction Power @ 90 PSI	1,200 kgF
Stroke Length	9.16"
Weight	4.27 lbs
Accessories Equipped	3/32" 1/8" 5/32" 3/16"

For Structural Rivets

3/16" Capacity

ZT-0918VS

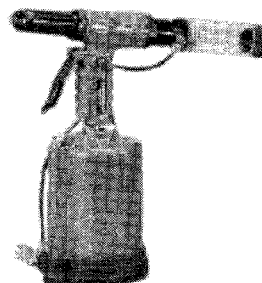

ZT-0918VS	
Max. Setting Capacity (Head / Mandrel)	3 / 16" All Materials 3/16" Structural Rivets 1/4" Steel / Steel
Traction Power @ 90 PSI	900 kgF
Stroke Length	11.16"
Weight	4.07 lbs
Accessories Equipped	3/32" 1/8" 5/32"

For use with 3/16" Structural Rivets

1/4" Capacity

ZT-1819VS

ZT-1819VS	
Max. Setting Capacity (Head / Mandrel)	1/4" All Materials All 1/4" Structural Rivets
Traction Power @ 90 PSI	1,200 kgF
Stroke Length	9.16"
Weight	8.72 lbs
Accessories Equipped	3/16" 1/4" 3/16" Structural Nose Pieces

For use with 1/4" Structural Rivets
